THE HOUSE OF SOUND HEALING

what is

A SOUND BATH ALL ABOUT?

Sound Baths use vibration to guide the body and mind from stress into deep relaxation, supporting clarity, balance, and lasting resilience. It's an enjoyable, relaxing experience that supports employee well being and **has been shown to reduce stress and burnout.**

THE HOUSE OF SOUND HEALING

WHY klank

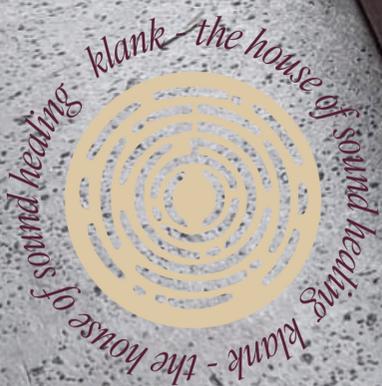

KLANK blends genuine care with deep organizational insight. With extensive experience in high-tech, team dynamics, and personal development, we design sessions that reduce stress, support well-being, and strengthen workplace resilience. We nurture connection, openness, and positive interactions within teams.

Practical

We offer a **boutique**, care-free, plug & play experience.

Thoughtfully curated and fully managed, **effortless** for HR, meaningful for your team.

At your office or a serene venue. From €40 per person.
